SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith patents, publications or other information, of which Applicant is aware that Applicant believes may be material to the examination of this application, and in respect of which, there may be a duty to disclose. The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. (Notice of January 9, 1992, 1135 O.G. 13-25, at 25.)

This information disclosure statement is accompanied by Form PTO/SB/08 (substitute for Form PTO-1449) and legible copies of all cited foreign patent documents and non-patent literature listed in said form. Pursuant to Notice of August 5, 2003, copies of cited U.S. patent documents and publications are not enclosed.

The person making this certification is the practitioner who signs below on the basis of the information supplied by the inventor(s) and in the practitioner's file.

As far as is known to the undersigned, this Information Disclosure Statement is being filed before the mailing of a first Office action after the filing of a request for continued examination as set forth in 37 C.F.R. § 1.97(b), and therefore no fee is required. While no fee is believed to be due, if this belief is in error the Commissioner is authorized to charge any

additional fees, including extension fees or other relief which may be required for this paper, or credit any overpayment to Deposit Account No. 03-4075 (Atty. Docket No. SST-1306).

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'C.R. Cypher', is written over a horizontal line.
